

CCS COVID-19 Info for Families

ARRIVAL 8:15-9:00am

1. Start at health check station
2. Complete daily screening and sanitize hands
3. Walk to the yard gate or front door and say goodbye

Please arrive already sunscreensed!

PICKUP

Come to the front gate, where your child will come to meet you. Sign out electronically.

NAPTIME

- Materials: Non-bulky, machine-washable (light blanket, washable stuffy)
- School will wash weekly.

MASKS

We will try to help kids wear masks at school during most parts of the day.

- Clearly label masks
- Have at least one extra mask to leave at school
- Wash daily at home

DAILY SCREENING

Staff will: Take child's temperature, ask caregiver COVID health questions

Children are not allowed to attend school if they have:

- ONE of the following: Severe cough, shortness of breath, or difficulty breathing above baseline, new loss of smell or taste; OR,
- TWO of the following: Fever of 100.4° or higher, chills, muscle aches, headache, sore throat, diarrhea, fatigue, nasal congestion / runny nose

OUTDOOR CLOTHING

- Keep extra clothes at school
- Keep a set of rain boots and a rain jacket at school

BEING ABSENT

If you are keeping your child home for any reason, please:

- Phone the school that day
- Or email teachers and director

IF CLASSROOM IS UNDERSTAFFED:

If there is a day where a teacher is out and no substitute can be provided, a **randomly-selected group of children will stay home** from our classroom.

*** Families with more flexible schedules can volunteer to be on a first-to-stay-home list.*

See COVID Handbook for much more detail

COVID Closures / When To Stay Home Guide

WHEN THE SCHOOL/CLASSROOM WILL CLOSE

If a COVID-infected person enters the building, **the whole school will close for at least 2 days**

If the COVID-infected person is a **member of our classroom pod**, our whole classroom pod will **quarantine at home per health department guidelines.**

We will offer online “school at home” during school closures.

KEEPING YOUR CHILD HOME DUE TO COVID

Children are not allowed to attend school if they have:

- ONE of the following: Severe cough, shortness of breath, or difficulty breathing above baseline, new loss of smell or taste; OR,
- TWO of the following: Fever of 100.4° or higher, chills, muscle aches, headache, sore throat, diarrhea, fatigue, nasal congestion / runny nose

Note: When returning to school after your child has a fever, you must report the date and time of first temperature check below 100.4°

If your child is considered COVID-positive:

Stay home for a minimum of 10 days from symptom onset AND for a minimum of 3 days after fever (if present ends) AND improved respiratory symptoms (Or with a doctor’s note that offers alternative diagnosis that explains COVID symptoms.)

If your child has COVID symptoms and tests negative:

Stay home until child hasn’t had fever, respiratory symptoms, diarrhea, or vomiting for 24 hours

If your child is exposed to someone with COVID (i.e. someone in household tests positive) but does not have any symptoms:

Stay home for 10 days from last exposed (as long as child remains asymptomatic).
